4) Dear Friends,

It's a proud moment for our parent organisation SPACT to get selected for the prestigious "Vocational Excellence Award" from Rotary International (a global NGO) for the exemplary service to the Humanity (for more than 30yrs) and other outstanding achievements .

The award giving ceremony is organised on 23rd January Tuesday 7pm, at Science Centre.

We feel truly honored to receive such a prestigious award. Please join us to be a part of the proud moments. Sincere gratitude to all dear SPACTians for the extra ordinary contribution since past 3 decades!!!

Special thanks to Dr. Vijaybhai Shah sir for being instrumental in proposing and promoting the SPACT as a nominee for the award

5) Youth nation is every year organizing a awareness run on 26th January. This year the theme is "Say no to Drugs" and we are happy to join such a noble cause. Special thanks to Dr Salim Hirani for doing partnership with the organization.

I Hope all this activities are attended by large number of SPACTians. And it's my request to all yearly members to send fees to Treasurer Dr Praful Bambharoliya. Let's grow our family by motivating the new pediatricians to join SPACT to.

Regards

Dr Hitesh Shinde
